This property is registered under number 666 at the Conservatória dos Registos da Região da Praia in Book B/7, page 482. Equally, it is registered under number 196 at the Matriz Predial da Praia (the local property tax office). The description of the property is as follows: Start in the south in the Ribeira da Trindade in the area of S.Pedro, ascend northwards until you meet the Ribeira do Laranjo confined on this side by the area of Bom-Coi, the marker-posts continue ascending along the Ribeira do Laranjo until the area called Quebrada or Encontrada and following along the right-hand side of this ribeira, then ascend up the Ribeira de Veneza until coming to the land of António Germano at Fontes, this side (the Ribeiras do Laranjo and Veneza) being the west [boundary] and the lands of António Germano at Fontes being the north [boundary], continue until you find the line of the spine of the Monte das Vacas, following the marker-post on the summit of this hill and then descend to the east boundary where you meet the public road in the area of Covão Quente some 8 or 9 kilometres [from Praia] following along the same road which is the east boundary until a little below 4 kilometres [from Praia/Platô] in the area of Monte Agarro from where the boundary crosses over the Monte Gonçalves Afonso until you meet the first marker-post.

The map opposite shows the approximate boundary of the whole of property 666 with a black line. The property comprises about 655 hectartes. The approximate boundary of the Grepne urban development project at Laranjo is shown in blue. The approximate boundary of property bought from Daniel Grepne by IFH (Imobiliária, Fundiária e Habitat, S.A.) for an urbanisation project is shown in brown. The terrain marked with green is where urban development has been undergoing since 1989. Note that the east boundary follows the line of the public road where it was located in 1919, subsequently, the new road was built inside of property 666.
